

## HARROGATE PLAQUES

There are 84 Brown Heritage Plaques in Harrogate (2019), having been installed over the last 45 years.

Harrogate Heritage Plaques are usually brown and mainly rectangular in shape.

The plaques tell a history of Harrogate, through its Spa heritage and the people and buildings associated with that history.

Some plaques mark out significant historical buildings in the town whilst others commemorate the men and women who were instrumental in the development of the town or ones whose businesses still play an active part in the town's fabric. Others commemorate famous people who have visited or had a connection with the town. Most plaques have a connection with the town's Spa heritage.

The Harrogate Civic Society has been, and still is, instrumental in getting plaques created and installed, along with serving as the guardian of the town's heritage.
